Table of Contents (TOC) Alerts by RSS or Email

Any individual is able to set up an RSS or email alert when a new *Table of Contents* for a particular publication within the *ACM Digital Library* is made available. To do so a person must have an *ACM Web Account*. *ACM Web Accounts* are free and easy to set up. To create a *Web Account* click on the 'SIGN UP' link which can be found on the upper right handle corner of any page within the Digital Library.

IEEE Xplore

Alerts Manager

Users who are signed in with their individual IEEE Account can choose to receive regular content alerts.

Working With Saved Searches

Saved search alerts are one of the many free features of IEEE *Xplore*. With this feature, you can save a search to re-use at a later time. You can also choose to receive e-mail alerts to notify you when new articles of interest are available.

Any IEEE *Xplore* user who is signed in with their IEEE Account can save up to 15 saved searches and alerts.

Citation Alerts

Saved Searches

Your list

This feature allows you to receive an e-mail alert when articles you select are cited. Alternately, you can use this feature to keep a list of your favorite articles.

To add an article to this list (and receive an e-mail each time it is cited):

- 1) Perform a search in one of the Web of Science™ citation database products (such as ')
- 2) When viewing a Full Record, click the "Create Citation Alert" button (not all Full Records Return to this page by clicking the "Citation Alerts" link at the top of any Web of Science™

Run saved searches directly from the Web of Science™ home page.
